<ul style="list-style-type: none"> ○ Federal Bureau of Investigation (FBI) Criminal Justice Information System (CJIS) Security Policy (also known as CJIS Security Policy) 	No	Will be made available after contract is signed
<ul style="list-style-type: none"> ○ Federal Bureau of Investigation (FBI) Image Quality Standard 	No	Available on the world wide web

RFQ/P #0005 – Document Matrix

Document	Available on FALCON Website?	Note
○ FCIC II Client TCP/IP InterProcessor Communication Program Interface Specification (3/1/2006) Rev. 44	No	Will be made available after contract is signed
○ Masinter, L. "Returning Values from Forms: Multipart/Form-Data", RFC 2388, August 1998	No	Available on the world wide web
○ National Crime Information Center (NCIC) Manual	No	Will be made available after contract is signed
○ Nebel, E., and Masinter, L. "Form-based File Upload in HTML", RFC 1867, November 1995	No	Available on the world wide web
○ Printrak BIS 9.1 Advanced Matching Service Interface Control Document (also known as Printrak Advanced Matching Service Interface Control Document)	See initial entry for this document	
○ Printrak BIS 9.1 Data Processing Service Interface Control Document	No	Update made to FALCON Build 2A Interface Control Document to include necessary information
○ International Organization for Standardization (ISO), Automatic Identification and Data Capture Techniques – Bar Code Symbology Specifications – PDF417, ISO/IEC 15438:2001	No	Available on the world wide web
• FALCON Conceptual Database Design Document (also known as Conceptual Database Design Document)	See initial entry for this document	
○ Conceptual System Design Document (also known as FALCON Conceptual System Design Document)	See initial entry for this document	
○ American National Standards Institute (ANSI)/National Institute of Standards and Technology (NIST) Data Format for the Interchange of Fingerprint, Facial, & Scar Mark and Tattoo (SMT) Information ANSI/NIST-ITL 1-2000 (also known as Data Format for the Interchange of Fingerprint, Facial, & Scar Mark & Tattoo (SMT) Information, NIST Special Publication 500-245, ANSI/NIST-ITL 1-2000, September, 2000)	See initial entry for this document	
○ Criminal Justice Data Element Dictionary	No	Will be made available after contract is signed
○ Electronic Fingerprint Transmission Specification (EFTS) 7.0 (also known as Electronic Fingerprint Transmission Specification (EFTS), CJIS-RS-0010 (V7), Federal Bureau of Investigation, Criminal Justice Information Services Division, January, 1999)	See initial entry for this document	

RFQ/P #0005 – Document Matrix

Document	Available on FALCON Website?	Note
○ FALCON Strategy (also known as FALCON Strategy Document)	Yes	
○ Interstate Criminal History Transmission Specification, XML Version 2.21 (also known as Interstate Criminal History Transmission Specification, XML Version 2.21, Joint Task Force on Rap Sheet Standardization, March, 2003)	See initial entry for this document	
○ Institute of Electrical and Electronics Engineers (IEEE)/Electronic Industries Alliance (EIA) 12207.1-1997 Guide “Standard for Information Technology - Software Life Cycle Processes – Life Cycle Data” (also known as Standard for Information Technology, Software Life Cycle Processes, Life Cycle Data, Institute of Electrical and Electronics Engineers (IEEE), IEEE/EIA 12207.1-1997, April, 1998)	See initial entry for this document	
● FALCON Strategy (also known as FALCON Strategy Document)	See initial entry for this document	
○ Conceptual System Design Document (also known as FALCON Conceptual System Design Document)	See initial entry for this document	
○ ICHS Feasibility Study	Yes	
● FDLE Development Standards	Yes	
○ JAVA Application Architecture Version 1.0	Yes	
○ JAVA Development Standards Version 1.0	Yes	
○ Web Application Development Framework Documentation Version 1.0	Yes	
○ Chapter 60DD-7, F.A.C Information Life Cycle Policies and Standards	No	Available on the world wide web
○ United States Rehabilitation Act Section 508 (also known as Section 508 of the United States Rehabilitation Act)	No	Available on the world wide web
○ 2.5 Information Security	No	Will be made available after contract is signed
○ 2.7 Software Management and Accountability	No	Will be made available after contract is signed
○ 2.8 Password Management	No	Will be made available after contract is signed
○ 1.400 Software Management and Accountability	No	Will be made available after contract is signed
○ 5.100 CCCB Review – Levels of Complexity	No	Will be made available after contract is signed

RFQ/P #0005 – Document Matrix

Document	Available on FALCON Website?	Note
○ 8.200 Database Access Violation Logs (Oracle)	No	Not necessary to provide; These are standard logs that can be configured in Oracle
○ 8.400 Network Dial-up Access Procedures	No	Will be made available after contract is signed
○ Information Security Handbook	No	Will be made available after contract is signed
○ FDLE Information Systems Development Methodology	Yes	
• FDLE Test Standards	Yes	
○ CARS Solution	No	Contact John Tauber for information (Email: John.Tauber@compuware.com Mobile: 727.647.5632)
• Functional Requirements Specification FALCON Build 2A	Yes	
○ CJIS Security Policy (also known as Federal Bureau of Investigation (FBI) Criminal Justice Information System (CJIS) Security Policy)	See initial entry for this document	
○ FALCON Build 2A Contract (also known as RFQ/P)	See initial entry for this document	
○ FALCON Interface Control Document	See initial entry for this document	
○ FCIC II Message Key Book	No	Will be made available after contract is signed
○ Section 508 of the United States Rehabilitation Act (also known as United States Rehabilitation Act Section 508)	See initial entry for this document	
○ FALCON Strategy Document (also known as FALCON Strategy)	See initial entry for this document	
○ FALCON Conceptual System Design Document (also known as Conceptual System Design Document)	See initial entry for this document	
○ FALCON Conceptual Database Design Document (also known as Conceptual Database Design Document)	See initial entry for this document	
• Functional Requirements Specification Rapid ID Pilot	Yes	

RFQ/P #0005 – Document Matrix

Document	Available on FALCON Website?	Note
○ CJIS Security Policy (also known as Federal Bureau of Investigation (FBI) Criminal Justice Information System (CJIS) Security Policy)	See initial entry for this document	
○ Rapid ID Pilot Interface Control Document	Yes	
○ FCIC II Message Key Book	See initial entry for this document	
○ Rapid ID Pilot Contract	No	Not necessary to provide
○ Section 508 of the United States Rehabilitation Act (also known as United States Rehabilitation Act Section 508)	See initial entry for this document
